Upstate Job Vacancy Notice

Civil Service Title: Laboratory Microbiologist	Level: 02
Title Code No: 21513	Annual Salary: \$44,589 / \$47,782 - \$61,104
Office Title: Laboratory Microbiologist	Work Location: 19 Westlake Drive, Valhalla, NY 10595
Division/Work Unit: Water Supply/Water Quality	Number of Positions: 1
Hours/Shift: 35 Hours per Week/Day	Agency Tracking #: N/A

Job Description

Working in the Water Quality Operations Division, Kensico Laboratory, the selected candidate will be responsible for performing microbiology analyses of moderate professional difficulty on reservoir, drinking water, stream storm and other samples such as total coliform and fecal coliform analysis by membrane filtration, heterotrophic plate count, and phytoplankton enumeration; will perform bacterial isolation and identification using a variety of automated and manual systems, media and solution preparations and perform non-routine analyses as deemed necessary; maintain mandated safety and Quality Assurance/Quality Control (QA/QC) as per regulatory DEP and NYS approved methods; and assemble and maintain records in a neat, thorough and complete manner.

Qualification Requirements

A baccalaureate degree from an accredited college or university, accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA) with a major in the biological, chemical, or physical sciences or medical technology, and one year of experience as a microbiologist performing at the technician or higher level in a clinical or environmental laboratory setting; *or*

An associate degree in medical technology, or sixty college credits from an accredited college or university, accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA) including six credits in mathematics and six credits in either chemistry or biology and three years of experience as described in paragraph "1" above; *or*

A four-year high school diploma or its educational equivalent approved by a State's Department of Education or a recognized accrediting organization plus any combination of college education and experience described in paragraphs "1" or "2" above to make up the equivalent of five years of education and experience. One year of experience credit will be given for each 30 semester credits of college education which includes at least 3 credits in mathematics and at least 3 credits in either chemistry or biology. However, all candidates must have at least one year of acceptable experience as described in paragraph "1" above.
