DEPARTMENT OF ENVIRONMENTAL PROTECTION
Citywide Job Vacancy Notice

Civil Service Title: Port Marine Engineer	Level: N/A
Title Code No: 06772	Annual Salary: \$69,417 / \$74,859 - \$97,893
Office Title: Port Engineer	Work Location: Wards Island, New York
Division/Work Unit: Bureau of Wastewater Treatment/Division of Residual Operations/Marine Section	Number of Positions: 1
Hours/Shift: 35 Hours per Week/Day	Agency Tracking #: N/A

Job Description

Under general supervision, the selected candidate will serve as a Port Engineer in the Marine Section. The Port Engineer is primarily tasked with assisting the Senior Port Engineer in the maintenance and repair of a fleet of marine vessels. This includes administering related contracts and budgets, coordinating work dockside and at shipyards, researching equipment and parts for procurement, and coordinating condition and ABS surveys. The Port Engineer will also administer the Computerized Maintenance Management System (CMMS).

Qualification Requirements

1. A Baccalaureate Degree in Marine Engineering of Naval Architecture from an accredited college and five years of full time paid experience in marine engineering operations, maintenance, design and repair, including writing contracts and maintenance specifications for the maintenance, design and repair of marine vessels and managing major marine projects including dry dockings; or closely related experience; *or*
 2. Seagoing experience as a Chief Engineer or 1st Assistant Engineer with a United States Coast Guard License of Steam or Motor vessels of any horsepower may be substituted for up to three years of experience described in "1" above, but all candidates must possess at least a Baccalaureate degree in an engineering discipline or Naval Architecture.
- TWIC Requirement** - Within thirty (30) days of appointment candidates must possess a valid Transportation Worker's Identification Card (TWIC) issued by the US Transportation and Security Administration. Candidates who are engaged in an appeal or waiver process for the TWIC will not be considered for appointment until such process has been completed. Candidates must renew and continue to possess a valid TWIC for the duration of employment.

Essential Skills

The selected candidate must have in-depth knowledge of United States Coast Guard, federal, state and local rules and regulations that are associated with marine vessels and supervisory experience.
