DEPARTMENT OF ENVIRONMENTAL PROTECTION

Citywide Job Vacancy Notice

Civil Service Title: Associate Engineering Technician	Level: 01
Title Code No: 20118	Annual Salary: \$41,318 / \$47,516 - \$60,872
Office Title: Associate Engineering Technician	Work Location: Wards Island, Manhattan
Division/Work Unit: Bureau of Wastewater Treatment/Harbor Water Quality & Analysis/ Marine Science	Number of Positions: 2
Hours/Shift: 35 hours per week/Day	Agency Tracking #: N/A

Job Description

The selected candidates will work under the direct supervision of the field supervisor and will assist with water quality monitoring both aboard boats and on land and will use a City vehicle for travel. Duties will include collecting and filtering water samples; organizing and cleaning sampling equipment; and assisting with assigned office work, such as data entry, report and graphic generation and other related duties required for the operation of the Harbor Survey Program.

Qualification Requirements

1. Graduation from an accredited community college or technical institution with a baccalaureate degree in engineering technology; *or*
2. Graduation from an accredited community college or technical institution with an associate degree in engineering technology, plus two years of full-time paid experience as an engineering technician; *or*
3. High school graduation or evidence of having passed an examination for the high school equivalency diploma or the United States Armed Forces G.E.D. certificate with a score of at least 35 on each of the five tests and an overall score of at least 225 in the examination for the certificate, plus four years of full-time paid experience as an engineering technician; *or*
4. Experience and/or education which is equivalent to (1), or (2), or (3) *above*.

Essential Skills

1. The selected candidate must possess a valid NY driver's license, as this position requires the candidate to travel to different wastewater treatment plants throughout the five boroughs during the work day, some of which are difficult to access by public transportation.
2. The selected candidate must have experience with word processing and spreadsheet programs.
