Civil Service Title: Assistant Mechanical Engineer	Level: N/A	
Title Code No: 20410	Annual Salary: \$48,126 / \$55,345 - \$72,212	
Office Title: Assistant Design Engineer	Work Location: 96-05 Horace Harding Expwy., 5 th Floor	
Division/Work Unit: Bureau of Engineering Design & Construction/In-House Design	Number of Positions: Continuous Vacancies	
Hours/Shift: 35 Hours per week/Day	Agency Tracking #: N/A	
Job Description		
<p>Under the direct supervision of the Design Engineer, the selected candidate will perform elementary mechanical work in the field, office, or laboratory, and receive training in mechanical engineering work of moderate difficulty and responsibility. The candidates responsibilities may include interaction with consultants, contractors, DEP specialty engineering staff, and other City and State Agencies, assisting with the coordination for the planning and implementation of design and construction of capital projects, assisting with the evaluation of technical issues, alternatives, and/or proposals associated with complex design and construction projects with major potential impacts in the Citys infrastructure. This position may require the preparation of technical reports and scopes of work for engineering projects, assisting with negotiation of consultant contracts and evaluation of manpower requirements and fees, and reviewing contract documents (plans, drawings and specifications) for complex engineering design and construction capital projects.</p>		
Qualification Requirements		
<p>1. A Bachelors degree in mechanical engineering from an accredited college and either one year of full-time satisfactory experience in mechanical engineering work of a Master's degree in mechanical engineering from an accredited college; <i>or</i></p> <p>2. A Bachelors degree in mechanical engineering technology from an accredited college and a Master's degree in mechanical engineering from an accredited college and one year of full-time satisfactory experience in mechanical engineering work.</p>
