Citywide Job Vacancy Notice

Civil Service Title: Assistant Environmental Engineer	Level: N/A
Title Code No: 20617	Annual Salary: \$48,126 / \$55,345 - \$72,212
Office Title: Assistant Project Engineer	Work Location: 96-05 Horace Harding Expwy., Queens, NY
Division/Work Unit: Bureau of Engineering Design & Construction/Wastewater Supply Capital Program	Number of Positions: Continuous Vacancies
Hours/Shift: 35 Hours per week/Day	Agency Tracking #: N/A

Job Description

Under the direct supervision of the Executive Project Manager and/or Program Director, the selected candidate will perform environmental engineering work in the field, office, or laboratory of moderate difficulty and responsibility; assist in the coordination for the planning and implementation of design and construction of capital projects; assist with the evaluation of technical issues, alternatives, and/or proposals associated with complex design and construction projects with major potential impacts to the City's infrastructure; assist in the preparation of technical reports and scopes of work for engineering projects; and assist with negotiation of consultant contracts and evaluation of manpower requirements and fees; and review contract documents (plans, drawings and specifications) for complex engineering design and construction capital projects. Additional responsibilities may include supervision of employees, interaction with consultants, contractors, DEP specialty engineering staff, and other City and State agencies.

Qualification Requirements

1. A baccalaureate degree in environmental engineering from an accredited college and either one year full-time satisfactory experience in environmental engineering work or a Master's degree in environmental engineering from an accredited college; *or*
2. A combination of a Bachelor's degree in environmental engineering technology from an accredited college and a Master's degree in environmental engineering from an accredited college plus one year full-time satisfactory experience in mechanical engineering.
