

City of New York
DEPARTMENT OF ENVIRONMENTAL PROTECTION

Citywide Job Vacancy Notice

Civil Service Title: Environmental Engineering Intern	Level: N/A
Title Code No: 20616	Annual Salary: \$43,349 / \$49,851 - \$52,496
Office Title: Pretreatment Engineer	Work Location: 96-05 Horace Harding Expwy., Corona, NY
Division/Work Unit: Bureau of Wastewater Treatment/Pollution Control & Monitoring/Industrial Inspections and Permitting Section	Number of Positions: 1
Hours/Shift: 35 Hour per Week/Day	Agency Tracking #: N/A

Job Description

Under direct supervision, the selected candidate will receive training in elementary engineering work of moderate difficulty and responsibility. The work and training will involve the following: conducting inspections of industrial facilities to determine compliance with the NYC Sewer Use Regulations and federal regulations pertaining to the Industrial Pretreatment Program; writing reports detailing all aspects of the inspections; and reviewing and evaluating self-monitoring reports submitted by industrial facilities. Additionally, the selected candidate will be responsible for the issuance of Commissioner's Orders and Notices of Violations and ensuring that enforcement mechanisms are appropriate.

Qualification Requirements

1. A Baccalaureate degree in environmental, chemical, mechanical, petroleum, aeronautical, or materials engineering from an accredited college.
2. A Bachelor degree in engineering technology is not acceptable.

Preferred Skills

The possession of a NYS driver's license is preferred for travel to remote facilities. This license is requested to remain valid for the duration of employment. In addition, the selected candidate must have good analytical, communication and writing skills, knowledge of data evaluation and statistical analysis, and be skilled in the use of computer software, such as spreadsheet programs, database software and word processing programs.
