Upstate Job Vacancy Notice

Civil Service Title: Watershed Maintainer	Level: N/A
Title Code No: 91011	Annual Salary: \$34,597 / \$39,787 - \$50,605
Office Title: Watershed Maintainer	Work Location: 10 Walker Road, Valhalla, NY10595
Division/Work Unit: Water Supply/Eastern Operations	Number of Positions: 1
Hours/Shift: 40 Hours per Week/Day	Agency Tracking #: N/A

Job Description

The Cat/Del UV Plant is vital to New York City's water supply for both flow control and UV treatment of the Catskill and Delaware Aqueducts. Working in the Eastern Operations Division, Cat/Del Ultraviolet (UV) Facility, the selected candidate will be responsible for the operation and maintenance of the daily distribution and UV treatment of more than 90% of New York City's water supply; will operate, maintain, repair, and inspect the UV treatment facility, including equipment, lands in the watershed areas, reservoirs, aqueducts and related systems of New York City; maintain logs of operations, equipment performance, maintenance and water quality; provide reports, perform calculations and tests, maintain records and keep inventory of chemicals, materials and equipment necessary for water treatment and maintenance of equipment; maintain quality standards and water quality parameters; maintain operations for compliance with mandates and deliverables under the Safe Water Treatment Act and Filtration Avoidance, including preparing written programs that comply with such mandates; and operate motor vehicles, motor powered equipment and perform related work; and comply with all environmental health and safety laws, agency policies, rules and regulations.

Qualification Requirements

A four-year high school diploma or its educational equivalent and one of the following:

1. One year of full-time satisfactory experience in the operation and maintenance of equipment used in the controlling or purification of water at facilities in watershed areas, reservoirs, or aqueduct systems; *or*
2. Two years of full-time satisfactory experience as: a mechanic, journeyman or helper in the electrical trades or mechanical trades; or a technician in a chemical processing facility or chemical laboratory.

Essential Skills

At the time of selection to this position, you must have a motor vehicle driver's License valid in the State of New York. This license must be maintained for the duration of employment. All candidates shall be required to obtain and maintain any license or licenses necessary to perform the duties of the position.
