Title Code No: 91011	Annual Salary: \$34,597 / \$39,787 - \$50,605
Office Title: Watershed Maintainer	Work Location: 199-203 River Road North, Wappinger Falls, NY
Division/Work Unit: Water Supply/Operations	Number of Positions: 1
Hours/Shift: 40 Hours Week/Day	Agency Tracking #: N/A

Job Description

Working in the Eastern Operations Division, Highlands Region, Hudson River Pumping Station, the selected candidate will perform duties related to the operation, maintenance, and repair and inspection of water control facilities, equipment and lands in the watershed areas, reservoirs, and aqueduct systems of the City of New York. Will maintain, repair and inspect equipment at Shaft 9 DA, Shaft 10 DA, the Hudson River Pumping Station and other sites as necessary. Specific tasks will include maintenance, inspection and operation of generators, pumps, flow control equipment, ventilating equipment, blowers, power gate devices and related stationary and portable equipment; operate hand and power tools needed to make proper adjustments and lubrication of operating equipment; operate a motor vehicle, motor powered equipment, and snow removal equipment; keep logs of operations, equipment performance, maintenance and water quality; provide reports, perform simple calculations and tests, maintain facility operational and inspection records, and keep inventory of chemicals and other materials and equipment necessary for the maintenance of equipment; perform related work, clean and maintain the structure, grounds, and auxiliary equipment at each facility; and comply with all environmental, health and safety laws, agency policies and rules and regulations.

Qualification Requirements

A four-year high school diploma or its educational equivalent and one of the following:

1. One year of full-time satisfactory experience in the operation and maintenance of equipment used in the controlling or purification of water at facilities in watershed areas, reservoirs, or aqueduct systems; or
2. Two years of full-time satisfactory experience as: a mechanic, journeyman or helper in the electrical trades or mechanical trades; or a technician in a chemical processing facility or chemical laboratory.

License Requirement A Motor Vehicle Driver's License valid in the State of New York. This license must be maintained for the duration of employment. All candidates shall be required to obtain and maintain any license or licenses necessary to perform the duties of the position.
