Citywide Job Vacancy Notice

Civil Service Title: Water Treatment Plant Operator	Level: 01
Title Code No: 06789	Annual Salary: \$34,783 / \$40,000 - \$47,222
Office Title: Water Treatment Plant Operator I	Work Location: 3201 Jerome Ave, Bronx, NY 10467
Division/Work Unit: Bureau Water & Sewer Operations/Distribution Operations/Croton Filtration Plant	Number of Positions: 10
Hours/Shift: 40 Hours per Week/Day	Agency Tracking #: N/A

Job Description

Under supervision, the selected candidates will assist in the operation and maintenance of equipment at the Croton Water Filtration Plant including water treatment plant equipment such as: ultraviolet disinfection equipment, chlorinators, flocculators, generators, pumps, transformers, hydraulics, motors, compressors, meters, gauges, valves, fittings, controls and chemical feeders; make minor repairs and adjustments to equipment as needed; assist in collecting water samples and performing water quality tests to assess chlorine residual, color, PH, turbidity, bacterial contamination and fluoride; assist in the preparation of daily plant operations and activity reports; record readings of equipment such as meters and gauges; assist the operation of the central computer controlled Process Monitoring and Control System (PMCS), and utilize a Computerized Maintenance and Management System (CMMS) to coordinate daily work assignments; and perform routine walk thru plant inspections. Candidates will receive training in all of these areas. Certain tasks will require physical labor, i.e. entering confined space, lifting, climbing ladders, etc.

Qualification Requirements

A four year high school diploma or its educational equivalent approved by a State's Department of Education or a recognized organization and one (1) year of mechanical experience working with machinery or tools, including but not limited to: power tools, hydraulics, motors, plumbing and welding equipment.

License/Certificate Requirement:

Candidates must possess a motor vehicle driver license valid in the State of New York. This license must be maintained for the duration of employment.

Special Qualification Requirements:

Candidates will be working towards obtaining a Grade 1A Water System Operator's certification issued by the New York State Department of Health after one year of appointment.
