Job Description

As the steward of more than 29,000 acres of parkland, the Department of Parks & Recreation (DPR) is a recognized leader and innovator of public spaces. The DPR has partnered with the Department of Environmental Protection to construct and maintain green infrastructure systems, primarily in the right of way. These systems combine engineered storm water capture with the natural system of soils and plants, and require particular and specialized care and maintenance. As a Seasonal City Park Worker, the selected candidates will assist in general maintenance work, including edging, seeding, snow removal, cultivating, fertilizing, trimming, sweeping, removal of sediments and raking of litter; clean and maintain facilities including drainage structures; perform minor repair work including but not limited to plumbing, masonry, carpentry, metal work and vehicle and equipment repair; drive vehicles and operate certain other motorized equipment; perform safety checks on facilities and equipment; and may move furniture, climb, and perform other physical activities as required in the performance of assigned duties.

Qualification Requirements

1. There are no formal education or experience requirements for this position.
2. A Motor Vehicle Driver's License valid in the State of New York is required.
3. Ability to read and to understand and obey orders is required.
4. There are certain medical and physical requirements.

PREFERRED SKILLS

Candidates possessing a NYS Commercial Driver License, an Associate's or Bachelor's degree, bilingual in English/Spanish and experience with horticultural maintenance are desired. Must work flexible hours, nights and weekends as needed and possess strong organizational, communication and leadership skills.
