

The following boat storage areas are closed until further notice due to Hurricane Sandy. Entry into these areas FOR ANY REASON is prohibited. Please call the DEP Mahopac boat office at (914) 232-1309 if you have any questions. Please see the second table on this page for areas that have been re-opened.

The following boat storage areas remain closed as of April 29th, 2013

NOTE: these areas were indentified for closure by DEP while conducting a rapid tree hazard assessment. DEP does not assert that any dangerous conditions DO NOT exist on areas that are not listed. Hazardous conditions may exist at all boat storage areas so extreme caution should be exercised.

Reservoir	Boat areas that remain closed
