I hereby certify that I am requesting a Recreational Boat Tag from NYCDEP to allow me to bring, store and use the boat described herein on certain property (Property or City Property) owned by the City of New York (City) designated as Recreational Boating Areas for purposes and in a manner as defined by such rules as are promulgated by the City. I understand that it is my responsibility to know and abide by the Rules for the Recreational Use of New York City Water Supply Lands and Waters (15 RCNY Chapter 16), which are available upon request from NYCDEP or from the NYCDEP website at www.nyc.gov/watershed. I agree to and shall abide by these rules and regulations and further acknowledge that the failure to do so may result in the immediate revocation of my Recreational Boat Tag, and possibly my DEP Access Permit, and prosecution to the fullest extent of the law.

I fully understand the inherent risks, including but not limited to drowning and death from using the City Property, which is undeveloped and may be unguarded and is used for water supply purposes and may contain lakes, ponds, creeks, streams, reservoirs and other types of watercourses, dams, steep slopes, and other natural or man-made structures.

I understand that the City has no duty to keep the Property safe for entry or use for public access or to give warning of any hazardous condition or use of or structure or activity on the Property pursuant to section 9-103 of the New York State General Obligations Law. I voluntarily and expressly assume any and all risks of personal injury or property damage that might result from my use of the Property, except where such personal injury or property damage is caused by the intentional acts of the City or the willful or malicious failure to guard or to warn against a dangerous condition, use, structure or activity.

I understand that I must have the boat and its accessories steam cleaned by NYCDEP or its designated vendor(s) at my own risk.

I agree on behalf of myself, my heirs, successors and assigns to voluntarily and fully release, indemnify, and otherwise hold harmless the City, NYCDEP, the New York City Water Board and any of their respective officers, agents, servants, representatives, employees and designated vendors from any and all liability for any personal injury, wrongful death, property loss, property damage, claim or expense of whatsoever nature and description, resulting from any cause whatsoever, including from the steam cleaning of the boat, arising out of my being in, on or about the Property.

I hereby further state that I am the owner or authorized user of the boat described herein. I understand that this Recreational Boat Tag is not transferable and that I must inform NYCDEP's Downsville office of any change of ownership of or my authorization to use the boat or my intention to remove the boat from City Property prior to its removal. If the boat is stolen, destroyed, or otherwise rendered useless, I understand that I am responsible for having the boat or its remains removed from the City Property and will inform NYCDEP of such removal at which time the Recreational Boat Tag will be rendered invalid and cancelled.

I hereby further affirm that the information provided on this form is true to the best of my knowledge and belief.
