Dear Dr. Young and Mr. Sweeney:

Pursuant to EPA's July 2007 Filtration Avoidance Determination (FAD) and the Draft Revised FAD, the Stream Management Program, Section 4.6 is required to meet annually with county contracting partners to review progress made in program areas last year and to evaluate priorities as a basis for the preparation of this year's actions plans. The Partners meeting was held on January 21, 2014.

As always, if you have any questions about these reports or other aspects of the City's watershed protection efforts, please do not hesitate to contact me.

Sincerely,

David S. Warne  
Assistant Commissioner
