

## **GUIDELINES FOR SUBMITTALS OF SIDEWALK CAFÉ TO THE DEPARTMENT OF ENVIRONMENTAL PROTECTION**

1. Transmittal letter from the Department of Consumer Affairs.
2. Submission has to be by a Professional Engineer or Registered Architect in the State of New York (original of license stamp/seal and signature to appear on letter as well as on the plans).
3. Plans should be to scale with scales indicated.
4. Property sewer size and type must be clearly dimensioned.
5. Existing water main/sewer size and type in street should be indicated on the Site plan. Distance from building to water main/sewer should be shown. Size of water main/sewer should be indicated.
6. North Arrow should be shown.
7. As-Built Sewer and Water main records should be submitted.
