

New York City Department for the Aging

2013 Public Hearings

The New York City Department for the Aging (DFTA) has published the 2014-2015 **Annual Plan Summary** on the DFTA website: www.nyc.gov/aging. This Plan provides a valuable opportunity for the Department to share its goals, objectives and program planning with the aging network.

DFTA encourages consumers, community partners, advocates, and other interested parties to attend a public hearing and comment on the Plan, or give testimony on other issues that impact New York City's older adults. **To register, e-mail:**

If you are unable to attend one of the hearings, please feel free to submit written testimony or comments via email (above) or mail to:
