Commissioner

New Q-MATIC Ticket in Brooklyn

To increase efficiency, effective November 26, 2007, the Brooklyn Borough Office will require a Q-MATIC “N” ticket when making up to five corrections to an application. One “N” ticket may be used to correct as many as three applications.

If additional corrections are required, the application must be left with the Borough Office and will be available for pick up within 48 hours.

Information You Need To Know!
