## Active Stop Work Orders in BISWeb Now Prominently Flagged

August 23, 2006

We've improved our online database to make it easier for you to identify properties with active Stop Work Orders (SWOs). All properties with an active SWO are now flagged on the property profile page in BISWeb. In addition, the flagged area is a clickable link that takes you to a list of all complaints that resulted in a SWO and have yet to be rescinded.
