## **STATEMENT OF BASIS AND PURPOSE**

The foregoing rule amendment is promulgated pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

The rule implements the fee structure provided for in sections 27-3014, 27-3018, 28-112.1, 28-112.7.2, 28-112.8 and 28-401.15 of the NYC Administrative Code by setting forth the fees which may be charged by the Department of Buildings pursuant to those sections.

This amendment makes corrections and additions to the fee table in order to bring the fees in line with current costs and to consolidate all fees into one section.

In addition, this amendment makes corrections to 1 RCNY rule section numbering to conform to the numbering scheme set forth in recent Construction Code-related rules.
