Staten Island Borough Office Launches Drywell Audit Pilot Program

Beginning June 5th, as part of the new [Drywell Audit Pilot Program](#), the Buildings Department must be notified of all drywell installations in Staten Island. This six month initiative will ensure drywell installations are done correctly and safely. View the [Notice to Engineers, Contractors & Owners](#) (35 kb-pdf) and the [service notice](#) (37 kb-pdf) to learn more about what this new Pilot Program entails.
