Buildings Department at the BuildingsNY Trade Show

On Thursday, June 15, 2006, representatives from the New York City Department of Buildings gave presentations at the annual BuildingsNY Trade Show at the Javits Center. Presentation topics included the new plumbing code, facade inspection regulations, resolving violations, eFiling and the agency's website. The Buildings Department also staffed a booth at the convention offering educational materials for attendees. View the [presentations](#) (3,277 kb-pdf) for more information. Request for Electrical Firm Cancellation/Adjustment Form is available online

The [Electrical Firm Account Request for Cancellation/Adjustment Form](#) (LIC-37) is available online. Customers can use this form to request a refund on electrical firm account miscellaneous payments, work cancellations, or application adjustments. Form LIC-37 replaces BEC-54. We're using technology to make it easier and faster to do business with us.

Did you know?

The Department of Buildings performs over 324,000 inspections per year. For more Buildings Department performance statistics reports, view the [Mayor's Management Report](#) (MMR) and the monthly [BUILD TOP 10](#) reports. We also provide [weekly](#) and [monthly](#) statistics reports on jobs filed, permits issued, complaints, cellular antennae, signs etc.

Save Time and eFile

Most electrical permit applications can be filed online too. Go to www.nyc.gov/buildings for more [eFiling information](#). It's the fastest and easiest way to submit an electrical permit application and receive it instantly. If you have any questions you can email us at eFilinginformation@buildings.nyc.gov or contact our call center at (212) 227-4416.
