What's New?

Department of Buildings To Host Job Fair for Inspectors

On Wednesday, September 20, 2006, the NYC Department of Buildings will be hosting a Job Fair for Inspectors (Construction, Elevator, Plumbing, Boilers) at 280 Broadway, 6th floor in Manhattan from 12:00 p.m. to 6:00 p.m. Join us to learn about the great opportunities that are available and be a part of our future. Review the [flyer](#) (52 kb-pdf) for more information. For current job openings, visit the [Career Opportunities](#) section of our website.

New Requirements for Sign Applications

[Local Law 31 of 2005](#) was enacted to help make New York City an even better place to live, work and build by enhancing the regulations for the installation of signage near arterial highways and parks. Pursuant to [RCNY Chapter 49, Subchapter E](#), (122 kb-pdf) applicants are now required to file a [Property Owner Sign Affidavit \(SIG-1\)](#) and a [Sign Restrictive Declaration](#) for certain sign permits. Read the [service announcement](#) for more information.

Training & Workshops

Local Law 11/98 Workshop - September 21st

In an effort to make it easier for you to meet the quickly approaching deadline of Local Law 11/98, the Buildings Department has introduced a new Alternative Filing Program. Our experts will host a free workshop to discuss the specifics of this new program on Thursday, September 21st. Reservations are required and space is limited. Read the [flyer](#) (82 kb-pdf) for event details.

Licensing Open House - **September 26th**

The Department of Buildings' Licensing Unit will be hosting a free public information session to provide a general understanding of licensing requirements including corporate documents and insurance policies and procedures. Don't miss out on this opportunity and make your reservations today. Read the [flyer](#) (55 kb-pdf) for the RSVP information.

For more training information, visit the [Training & Workshops](#) section of our website under [News and Services - Service Notices](#).

Did You Know?

Did you know that all boiler inspection reports are due by December 31, 2006? To protect the public and ensure the safe and lawful use of all of New York City's 950,000 buildings, we would like to remind you of the importance of having boilers inspected annually and of filing your boiler inspection reports on time. Beat the rush and send in your inspection reports today! To get more information on the [annual boiler inspections](#), visit our website.

Visit our [Homepage](#) for more information on any of these announcements.
