## What's New?

### Department of Buildings To Host Job Fair for Inspectors

If you are interested in becoming a construction, boiler, elevator or plumbing inspector, we invite you to attend our Inspector Job Fair on:

Wednesday, December 6, 2006.  
1:00 p.m. to 6:00 p.m.  
280 Broadway, 6th floor  
New York, NY 10007

Join us to learn more about the great opportunities that await you. Our team of experts is passionate about buildings and dedicated to ensuring the safe and lawful use of all of New York City's 950,000 buildings. View the [flyer](#) (60 kb-pdf) for more information, and check our website for the list of current [Career Opportunities](#) available.

## Buildings Around Town

### Commissioner Lancaster Receives "Women of Distinction" Award

On November 2, 2006, Buildings [Commissioner Patricia J. Lancaster, FAIA](#), was honored with a "Woman of Distinction" Award at the 14th Annual Women of Distinction Breakfast, sponsored by the Girl Scout Council of Greater New York. Commissioner Lancaster received the award for excellence and leadership within her field and was recognized as a role model and inspiration not only to Girl Scouts, but to women everywhere. View the [photos](#) and the [press release](#) (30 kb-pdf) from the event.

### Sign Enforcement Unit Hosts Korean Officials

The [Sign Enforcement](#) Unit hosted ten officials from Gimpo City, Republic of Korea on November 17th. The meeting included a brief discussion of zoning and various sign-related regulations, as well as a [presentation](#) (2,910 kb-pdf) on the new Outdoor Advertising Company

Registration Program. An extensive question and answer session followed. View the [photos](#) from the event.

## ***Did You Know?***

---

Did you know the Department of Buildings is working closely with public and private sector entities to streamline and modernize the New York City Building Code? The last time the [Building Code](#) underwent a complete revision was in 1968. The new proposed code will incorporate new technologies and building practices, including performance criteria for building construction. To read more about the Program, view the [Model Code](#) section of our website.
