What's New

Job Fairs for Architects, Engineers and Construction Inspectors

Interested in [employment](#) at the Buildings Department? On Wednesday, October 24, 2007, the Agency will host two job fairs in Manhattan at 280 Broadway in the 6th floor training room. A job fair for construction inspectors will be held from 12pm to 3pm, and a job fair for architects and engineers will be held from 4pm to 6:30pm. Visit our website to learn more about [employee benefits](#) at the Buildings Department.

B-SCAN Coming To Manhattan

Making it Easier

In the coming weeks, the Manhattan Borough Office will be launching the Buildings Scan and Capture Application Network. [B-SCAN](#) scans virtually all documents (except architectural plans) associated with New Building and Alteration permit applications for the public and professionals to retrieve online. B-SCAN has already been implemented in [Staten Island](#), the [Bronx](#), [Brooklyn](#) and [Queens](#). Since its launch in April 2007 in Staten Island, over 57,000 documents have been scanned. View the [fact sheet](#) (38 kb-pdf) for more information about this exciting initiative.

Buildings Around Town

American Engineering Alliance

On Wednesday, October 24, 2007, Assistant Commissioner Benjamin Jones and Laurie Kerr of the Mayor's PlaNYC Office will deliver a presentation on sustainability and goals for New York City through 2030 at the American Engineering Alliance's Annual Dinner. The [American Engineering Alliance](#) works to advance the professional, economic and social interests of all engineers regardless of field of practice or employment status.

BOMA Annual Conference and Trade Show

On Wednesday, October 10, 2007, Assistant Commissioner Benjamin Jones delivered a [presentation](#) (1,546 kb-pdf) on the new [NYC Construction Codes](#) and [PlaNYC](#) at the Building Owners and Managers Association's Annual Conference and Trade Show. [BOMA/NY](#) serves a membership that includes building owners, professional property management firms, professional service providers and contract services including construction, elevator maintenance and cleaning services

among others. This year's event continued BOMA/NY's dedication to educating members and guests on topics pertaining to codes and regulations.

View more [photos](#) from the event. To learn more about the new NYC Construction Codes [training initiative](#), view the [press release](#).

Reminder

Annual Boiler Inspection Reports Due Soon

Information You Need To Know

Owners of buildings with boilers installed (residential properties with 6 or more units, mixed use buildings, and commercial buildings) are required to file an [Annual Boiler Inspection Report](#) along with a \$30 filing fee by December 31st. Please contact the [Boiler Division](#) with any questions about this requirement.

Elevator Office Extends Hours

Making It Easier

To better serve you, beginning October 29, 2007, Buildings Department representatives will be available five days a week to schedule elevator inspection appointments. After October 29, customers may call Monday through Friday from 8:30am to 4:30pm to schedule an elevator inspection. View the [service announcement](#) (37 kb-pdf) for more information.

Did You Know?

Did you know that the Buildings Department [website](#) gets more than 500,000 page visits per day? Through the website, visitors can access [BISWeb](#), learn about [Career Opportunities](#), view the [Building Code](#) and much more.

Visit our [Homepage](#) for more information on any of these announcements.
