Project Notice

Name & Address of Project: Rikers Island Energy Infrastructure Upgrade, Rikers Island, NY

Project Sponsor: New York City Department of Correction (NYCDOC)

Project Information Available for Review:

The following Project Information is available for public review at the Document Repositories (listed at the end of this Notice) or on-line at the project website (<http://www.nyc.gov/html/doc/html/home/home.shtml>):

- Project Notice
- Project Fact Sheet Brochure
- Draft Public Participation Plan
- NYSDEC Title V Permit Application Package
- NYCDEP Air Permit Application Package
- State Environmental Quality Review Act (SEQRA) Environmental Assessment Form (EAF) documents
- Environmental Justice Analysis
- Project Engineering Package

Why is this information being made available and why has this Notice been sent to you?

The project will require a modification to the Title V Facility Air Permit to be approved by New York State Department of Environmental Conservation (the DEC). As part of the permitting process for this new cogeneration facility, DEC requires the permit applicant (in this case the NYCDOC) to develop and execute a Public Participation Plan (PPP), and conduct outreach as part of the environmental permit review process. As part of this effort, the project-related materials and written information that have been developed for this project (listed above) are being made available for review by the public.

Comment period for submitting comments on the project.

The cut-off date for submitting written comments is: **SEPTEMBER 9, 2011.**

Where and how to provide comments on the project:

Questions or comments related to any of the project materials may be submitted in writing to the contact at NYCDOC listed below.

Robert T. Maruca, Deputy Commissioner
Budget, Management, and Planning
New York City Department of Correction (NYCDOC)
Bulova Corporate Center
75-20 Astoria Boulevard, Suite 160
East Elmhurst, NY 11370
Tel: 718-546-0655
Email: Robert.Maruca@doc.nyc.gov

Where will you be able to find the answers to questions or comments submitted, and when will those responses be available?

After the comment period indicated above has ended, answers to questions or comments submitted will be made available on the project website, and at the Document Repositories, or can be obtained by sending an e-mail request to: **Robert.Maruca@doc.nyc.gov**. It is anticipated that responses to questions and comments that are submitted related to this energy infrastructure upgrade project will be available within **30 days** after the close of the comment period.
