

**SEVERE
WEATHER**

ALERT

All Department of Correction facilities are preparing for the snow storm that will move into the area and will impact New York City today and this evening.

Visits to Rikers, which do not normally occur on Mondays and Tuesdays, should resume Wednesday if public transportation is operating.

This is subject to change based on conditions.

Visitors are advised to check public service announcements.

If you are a family member of an inmate and want more information, please call the DOC's information line at (718) 546-1500.

All department staff are advised to make emergency preparations at home.

Such preparations should include having an ample supply of emergency preparedness items, including but not limited to non-perishable food items, water, a flashlight, batteries and a portable radio.

Staff members are advised to monitor public service announcements.
