

NOTICE OF INTENT TO NEGOTIATE

(A) New York City Department of Correction

(B) PIN **072201543CPD**

(C) Title and/or brief description of the goods, services, or construction procured;

This procurement is for maintenance services of the compressors in Rikers Island CHP plant. The CHP plant houses three compressor packages manufactured by Enerflex Energy Systems. The compressor packages are one of the most crucial equipment in the plant.

(E) Name of the proposed vendor: **Enerflex Energy Systems Inc.**

(F) Summary of the determination:

Enerflex Energy Systems Inc. will provide service and maintenance for Enerflex Compressors in Rikers Island Cogeneration Plant. Enerflex Energy Systems Inc. are the sole designs and manufactures custom for refrigeration, gas compression and process equipment. In addition, Enerflex Energy Systems Inc. maintains technical and design proprietary data utilized in developing OEM equipment operating, maintenance and service procedures.

The Department of Correction intends to enter into negotiations with **Enerflex Energy Systems Inc.** for provision of the above-described for the maintenance services of the compressors in Rikers Island CHP Plant.

(G) How qualified vendors may obtain an application, or express their interest in providing such goods, services, or construction:

Any firm which believes it can provide the required goods and or services in the future is invited to express interest via email to cassandra.dunham@doc.nyc.gov. The vendor must have specific expertise in maintenance of gas Compression and Process Equipment.
