\* CAPS Unit provides free access to showers and calls; no requests made

1 - Because of the low PSU and RHU populations in RMSC, all of the inmates in these two categories are housed in the same unit and are managed as RHU inmates.

2 - DOHMH Data - Questions related to DOHMH Data should be referred to DOHMH

3 - Initial requests for medical and mental health treatment include not only inmate requests, but also when inmates were independently afforded by DOC staff (which can be denied by inmates).
