

## DOC Celebrates National Nutrition Month

The New York City Department of Correction Nutritional Services Division kicked off their annual National Nutrition month celebrations on March 14 at GRVC. With events being held month long at various facilities, Moreen Frankson-James, Acting Assistant Commissioner of the Nutritional Services Division says the goal is to promote healthy eating habits for all DOC staff.

**"We are encouraging all DOC staff to eat less junk food and also provide them with information on the importance of good nutrition."**

**Literature about healthy eating and weight management, nutritious food and snacks are available at the events.**
