Meet Brooklyn Borough President Adams

Brooklyn Borough President Eric Adams congratulated DOC's hockey team for its recent championship victory over the Suffolk County Police Department. The team presented Adams with a team jersey at the Brooklyn Borough Hall meet-and-greet that was also attended by the DOC basketball team. "It was a real honor to have the teams meet the Brooklyn Borough President," said Deputy Commissioner Dr. Errol Toulon Jr. "Our staff have played hard all season, and being recognized by President Adams for their achievements was a real thrill for our teams."
