DOC JOINS BATTLE AGAINST BREAST CANCER

DOC uniform and civilian staff showed their commitment to the fight against breast cancer by participating on Sunday Oct. 19 in "Making Strides Walks" in three different boroughs. The walks, sponsored by the American Cancer Society, honor those who have battled breast cancer and raise awareness of what can be done to reduce the risk of breast cancer. DOC staff, some wearing sweat shirts saying: "Find the Cure" and "COBA Cares," marched in Brooklyn, Manhattan and Queens. Some DOC walkers were accompanied by their children.
