

This report must be filed by any corporation that has an officer, employee, agent, or representative in the City and claims not to be subject to the New York City General Corporation Tax. For taxable years beginning in 1996 and thereafter, entities taxable as corporations for federal income tax purposes under IRC §7701 (a) (3) and §7704 are considered corporations for purposes of the General Corporation Tax. **A corporation subject to General Corporation Tax cannot use this form;** it must file a General Corporation Tax Return, Form NYC-4S or NYC-3L. See "Corporations Subject to Tax" below. **The filing of this form does not constitute the filing of a return by the corporation sufficient to start the running of the limitations period for assessments of tax. To obtain the protection of the limitations period, a General Corporation Tax Return must be properly filed.** A corporation that has ceased doing business in the City during the taxable year cannot use this form. Such a corporation must file a final return or request an extension of time to file a final return **on or before the 15th day after the date that the corporation ceases to be subject to the General Corporation Tax.** See Form NYC-6F and instructions for further information.

A corporation is not required to file this report if it falls under one of the following:

- 1) the corporation is exempt from the General Corporation Tax under Section 11-603.4 of the Administrative Code;
- 2) the corporation has received a letter from the Department of Finance exempting it from tax as a nonstock, nonprofit corporation (see instructions for line 5b below), provided there has been no change in its character, activities or federal tax status since the date of that letter;
- 3) the corporation's only tie with New York City is that one or more of the corporation's officers, employees, agents or representatives reside in the City or come into the City infrequently in connection with isolated transactions of the corporation; or
- 4) the corporation is a Real Estate Mortgage Investment Conduit (REMIC).

WHEN TO FILE

Any corporation required to file this report must do so annually, on or before March 15th if it reports on a calendar year basis for federal income tax purposes, or on or before the 15th day of the 3rd month following the close of its fiscal year if it reports on a fiscal year basis.

- 1) the purposes for which it is organized,

CORPORATIONS SUBJECT TO TAX

A corporation subject to General Corporation Tax cannot use this form; it must file either Form NYC-4S or NYC-3L. Section 11-603.1 of the Administrative Code provides that a corporation is subject to tax if it is:

- 1) doing business in New York City,
- 2) employing capital in New York City,
- 3) owning or leasing property in New York City, in a corporate or organized capacity, or
- 4) maintaining an office in New York City.

The term "doing business" is used in a comprehensive sense and includes all activities that occupy the time or labor of people for profit. Regardless of the nature of its activities, every corporation organized for profit and carrying out any of the purposes of its organization is deemed to be "doing business" for the purpose of the tax. In determining whether a corporation is doing business, it is immaterial whether its activities actually result in a profit or a loss.

The term "employing capital" includes any of a large variety of uses, which may overlap other categories and give rise to taxable status. In general, the use of assets instrumental in maintaining or aiding the corporate enterprise or activity in the City will create liability. Employing capital includes activities such as:

- a) maintaining stockpiles of raw materials or

inventories; and

- b) maintaining securities in the City for trading purposes.

Under Section 11-603.2 of the Administrative Code, a corporation is not considered to be doing business, employing capital, owning or leasing property, or maintaining an office in New York City by reason of:

- a) the maintenance of cash balances with banks or trust companies or brokers in the City;
- b) the ownership of shares of stock or securities kept in the City, if kept in a safe deposit box, safe, vault or other receptacle rented for the purpose, or if pledged as collateral security, or if deposited with one or more banks or trust companies, or brokers who are members of a recognized security exchange, in safekeeping or custody accounts;
- c) the taking of any action by any such bank or trust company or broker which is incidental to the rendering of safekeeping or custodial service to the corporation;
- d) the maintenance of an office in the City by one or more officers or directors of the corporation who are not employees of the corporation as long as the corporation is not otherwise doing business or employing capital in the City and does not own or lease property in the City;
- e) the keeping of books or records of a corporation in the City if the books or records are not kept by employees of the corporation and the corporation is not otherwise doing business or employing capital in the City and does not own or lease property in the City; or
- f) any combination of the foregoing activities.

In addition, a corporation will not be subject to the general corporation tax if its sole connection with New York City is:

- (i) the maintenance of a statutory office at the address of its registered agent or the maintenance of a mailing address; or
- (ii) the mere ownership of shares of stock of corporations doing business in the City.

Under Administrative Code Section 11-603.2(a) for years beginning after 1997, a corporation organized under the laws of a country other than the United States is not considered to be doing business, etc. in the City if its activities in the City are limited solely to investing or trading in stocks, securities or commodities for its own account within the meaning of the Internal Revenue Code §864(b)(2)(A) or §864(b)(2)(B).

NOTE: For additional guidance concerning what activities constitute "doing business," "employing capital," "owning or leasing property," and "maintaining an office" in New York City, see Sections 11-03 and 11-06 of Title 19 of the Rules of the City of New York. For additional information concerning corporations not subject to tax, see Section 11-04 of those rules and Administrative Code Section 11-603.

REFUNDS: If a corporation has previously paid tax or made estimated tax payments for the taxable year and is filing this form disclaiming liability for those taxes, the corporation should file a refund claim on Form NYC-8 and attach this form to that claim.
