**WHO MUST FILE**

Every corporation subject to the New York City Tax on Banking Corporations (Title 11, Chapter 6, Subchapter 3 of the Administrative Code) must file a declaration (NYC-400B) if its estimated tax for the current year can reasonably be expected to exceed \$1,000. The term "estimated tax" means the amount of tax the taxpayer estimates to be imposed by section 11-639 of the Administrative Code less the sum of the credits estimated to be allowable against the tax.

**NOTE:** If the current year's tax is reasonably estimated to exceed \$1,000, a declaration is required even if this is the first year of business in New York City for the taxpayer or the taxpayer paid only the \$125 minimum tax for the preceding year. Failure to pay or underpayment of estimated tax in these circumstances will result in penalties.

**LINE 2 - PAYMENT OF ESTIMATED TAX**

Corporations whose tax liability for the preceding year exceeds \$1,000 are required to pay, with the tax return for the preceding year, or with the application for extension of time for the filing of such return, 25% of the tax liability for the preceding year as a first installment of estimated tax for the current year. After taking credit for that payment, and for the amount described in the instructions for line 3, taxpayers filing declarations of estimated tax are required to pay the balance of estimated tax in fractional installments.

**DECLARATION AND ESTIMATED TAX DUE DATES**

<b>If the requirements for filing a declaration are first met during the taxable year:</b>	<b>File the declaration on or before the:</b>	<b>The balance of estimated tax is due as follows:</b>

**LINE 3 - OVERPAYMENT CREDIT**

This is the amount of overpayment, if any, shown on last year's return which you elected to have applied as a credit against the current year's tax.

**AMENDMENTS**

An amended declaration should be filed, if necessary, to correct the tax estimate and related payments. Use the NYC-400B or Notice of Estimated Tax Payment Due for making amendments. If the amendment is made after the 15th day of the 9th month of the taxable year, any increase in tax must be paid with the amendment.

**LATE FILING**

If the declaration is filed after the time prescribed in the chart above, all installments of estimated tax due on or before such time are payable at once and the remaining installments are due as if the declaration was timely filed.

**PENALTY**

The law imposes penalties for failure to pay or for the underpayment of estimated tax. (*Refer to Section 11-676, Subdivisions 3 and 4 of the Administrative Code.*)
