INSTRUCTIONS

The filing of this application on or before the due date automatically provides an extension of six months after such due date for the filing of your completed tax return, provided the tax is properly estimated and the application is accompanied by a remittance for the amount shown on line 3. (If line 2 exceeds line 1b, no remittance is required.) A properly estimated tax must be either:

- a) not less than 90% of the tax for the year for which an extension is requested as finally determined, or
- b) not less than the tax for the preceding taxable year if that year consisted of twelve months.

NOTE: for this purpose, the tax as finally determined includes a final determination of the tax due for the taxable period after an audit, the filing of an amended return or some other adjustment or correction.

If the partnership had \$1,000,000 or more in unincorporated business taxable income, allocated to the City for any taxable year during the three years immediately preceding the taxable year for this return, a properly estimated tax is not less than 90% of the tax as it is finally determined. Clause (b) above is not applicable.

If you do not meet these requirements, your extension will not be valid and you will have to pay interest and penalties from the original due date of your return. Even if the extension is valid, interest and applicable penalties will

be imposed on any balance of tax due not paid with this application from the original due date to the date of payment. Except for taxpayers outside the United States, no additional extension beyond the six months granted by this extension will be granted.

LINE 1b

Enter on line 1b the amount the partnership estimates it will enter on line 25 of its 2004 Form NYC-204. (Any credits to be claimed on Form NYC-114.5, Form NYC-114.6, Form NYC-114.7 and Form NYC-114.8 should be taken into account in computing the amount to enter on line 1b.) See the discussion of a properly estimated tax, supra.
