

## Acknowledgements

The toolkit project and its associated materials were developed by the NYC DOHMH Bioevent Tabletop Exercise Toolkit Project Planning and Development Team:

**Mary Fornek, BSN, MBA**

**Richard Rosselli, MPH**

**Delia Easton, PhD**

**Sara Kuppin, MSPH**

**Meetal Morjaria, MPA**

The team would like to thank those NYC DOHMH personnel and consultants who provided subject matter expertise in infectious diseases, hospital/primary care center administration, emergency management and exercise planning and development. In particular,

**Debra Berg, MD**

**Kelly Henning, MD**

**Marci Layton, MD**

**Elsie Lee, MD**

In addition, emergency management and exercise planning/development consultative services were provided by **Kroll Government Services, Inc.**

The team would also like to thank the staff from New York City hospitals that allowed DOHMH to test exercise products at their facilities and provided generous feedback to help refine the toolkit.

### *About the Authors*
