

NYC Over Dimensional Vehicle Permit Application

Guidelines:

- This application needs to be completely and accurately filled-out.
- One (1) application is allowed per move/permit. A move requires two (2) Permits: One (1) “into the City” and one (1) “out of the City”. More Permits may be required depending on number of moves within the City.
- Over-dimensional permits are issued for non-divisible loads only.
- Permits are payable to NYCDOT by check or money order for a fee of \$35 each, over-night payments are accepted.
