DOWNTOWN STATION LOCATIONS (BI-DIRECTIONAL)

- Potential Local Stop
- Potential SBS Station
- Sidewalk Vault
- Phone Booth
- Existing Bus Stop
- Street Tree
- S Subway Entrance
- n Bike Rack

WALL STREET

UPTOWN:

- SBS between Wall St. and Pine St.
- SBS north of local on same block.

DOWNTOWN:

- SBS between Hanover Sq. and Wall St.
- SBS south of local on same block.

High volume of taxis in area should be noted.

FULTON STREET

UPTOWN:

- SBS between Fulton St. and Beekman St.
- SBS north of local on same block.
- Alternative location noted above.

DOWNTOWN:

- SBS between Fulton St. and Beekman St.
- SBS south of local on same block.

High volume of taxis in area should be noted.

Preferred Uptown SBS stop location

Alternative Option for Uptown SBS stop if fare machine is an issue in the historic district.

OLIVER STREET

UPTOWN:

- SBS between James St. and Oliver St.

DOWNTOWN:

- SBS between Oliver St. and Catherine St.

No local stops at this location.

Narrow width of Madison Street must be considered, as well as heavy pedestrian traffic and the presence of a bike lane.

GRAND STREET

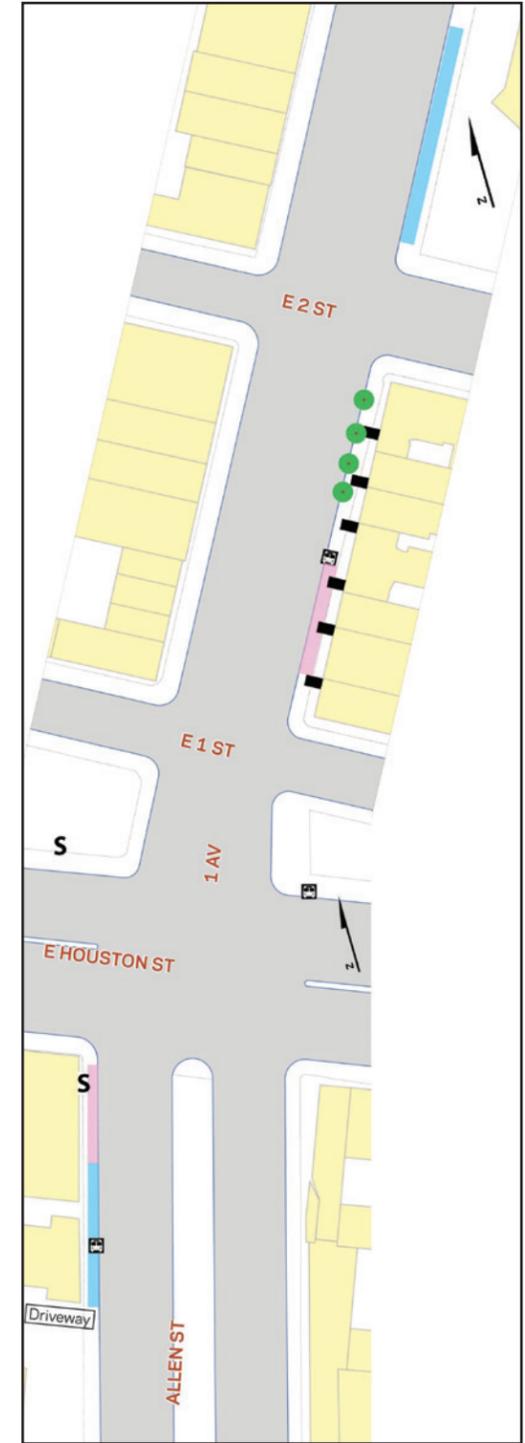

UPTOWN:

- SBS between Grand St. and Broome St.
- SBS north of local on same block.

DOWNTOWN:

- SBS between and Hester St. and Grand St.
- Local between Grand St. and Broome St.

Heavy truck traffic and double-parking may affect SBS service in this area.

HOUSTON STREET

UPTOWN:

- SBS between 2nd St. and 3rd St.
- Local between 1st St. and 2nd St.

DOWNTOWN:

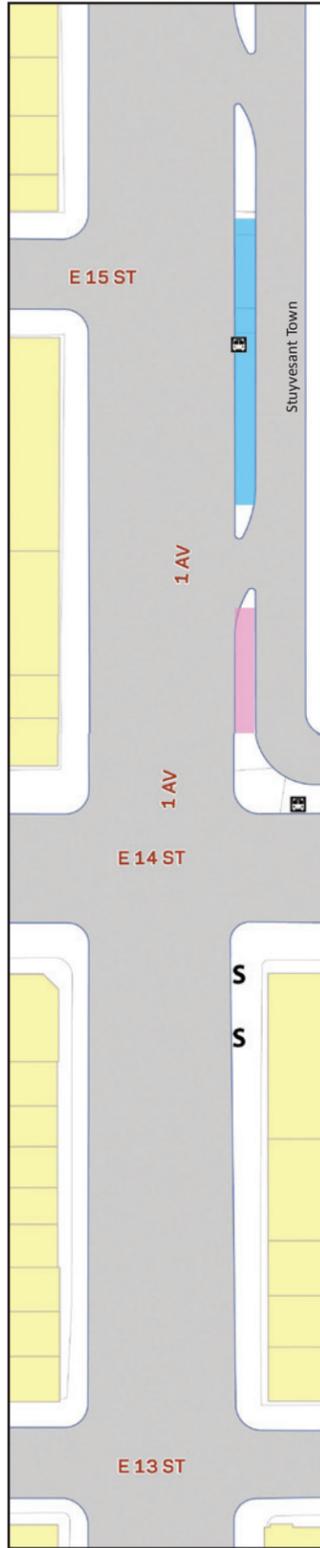

- SBS between Stanton St. and Houston St.
- SBS south of local on same block.

Uptown SBS and local stops are not located on same block due to short distance between 1st St. and 2nd St. and presence of trees and sidewalk vaults.

NOTE: An additional stop will be located at the South Ferry Plaza (under construction). No map is available.

MIDTOWN STATION LOCATIONS (NORTHBOUND, 1ST AVE.)

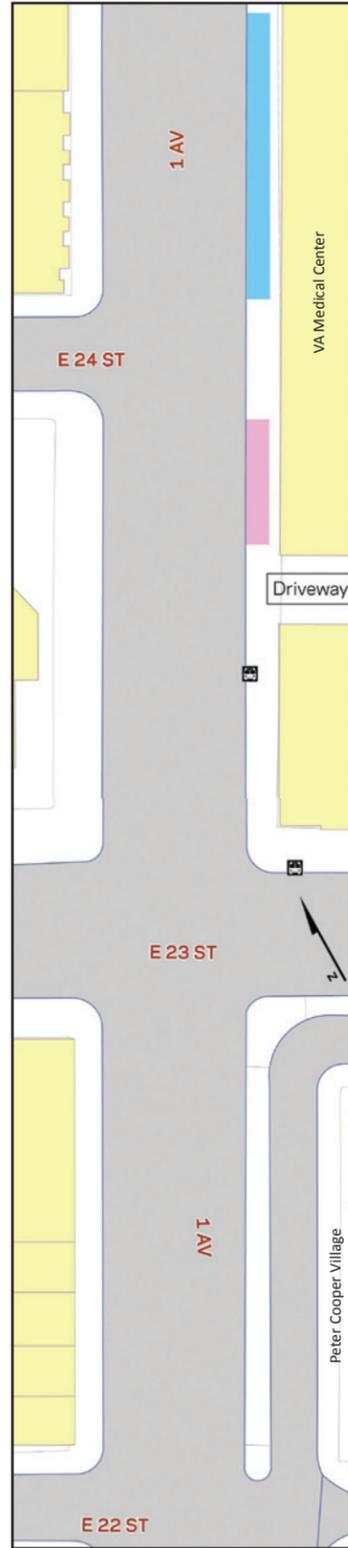

- Potential Local Stop
- Potential SBS Station
- Sidewalk Vault
- Phone Booth
- Existing Bus Stop
- Street Tree
- S Subway Entrance
- n Bike Rack

14TH STREET

- SBS between 14th St. and 15th St.
- SBS north of local on same block.

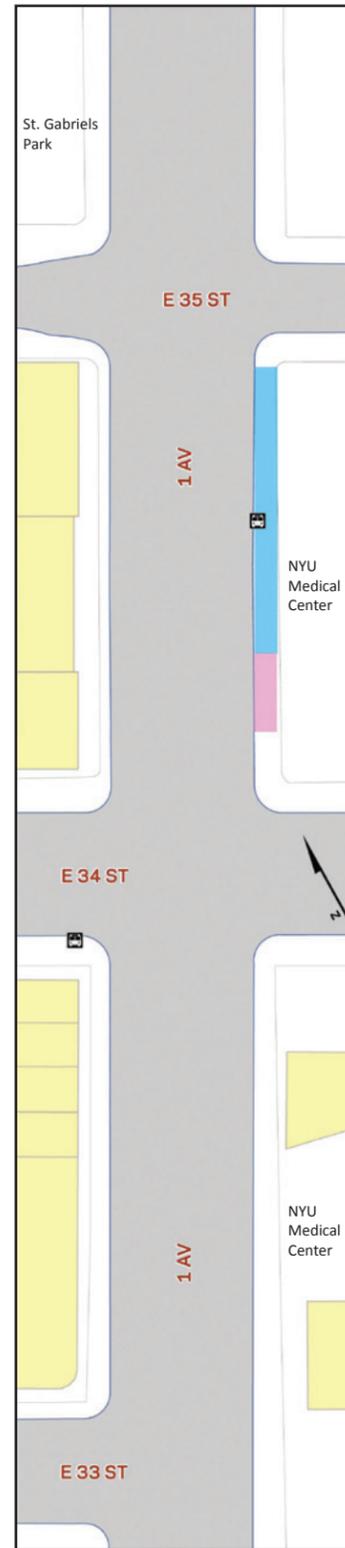

Some issues in this area include heavy traffic, bus bunching, and high bus ridership.

23RD STREET

- SBS between 24th St. and 25th St.
- SBS north of local on same block.

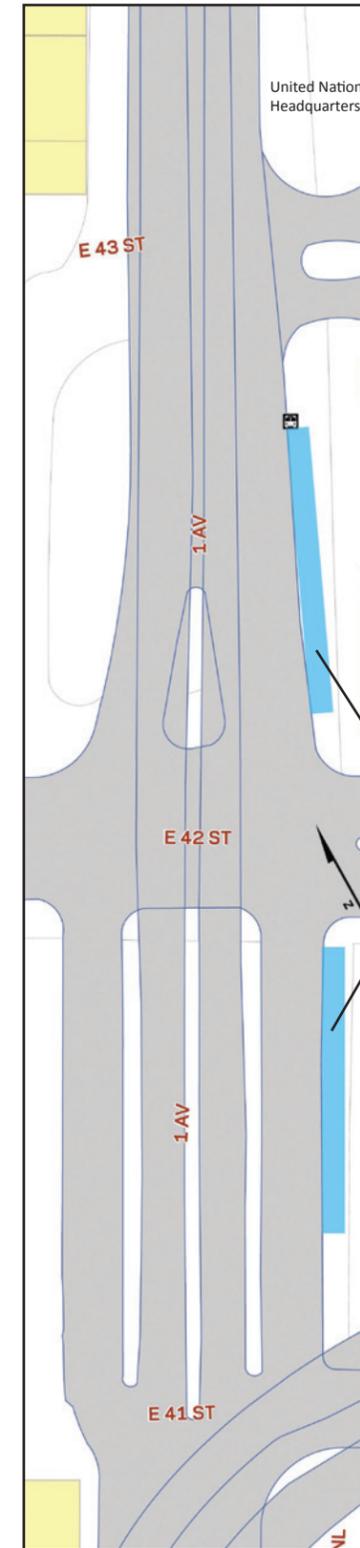

SBS and local bus stops located north of driveway (see map).

34TH STREET

- SBS between 34th St. and 35th St.
- SBS north of local on same block.

There is no room for a bus shelter due to many trees on a narrow sidewalk.

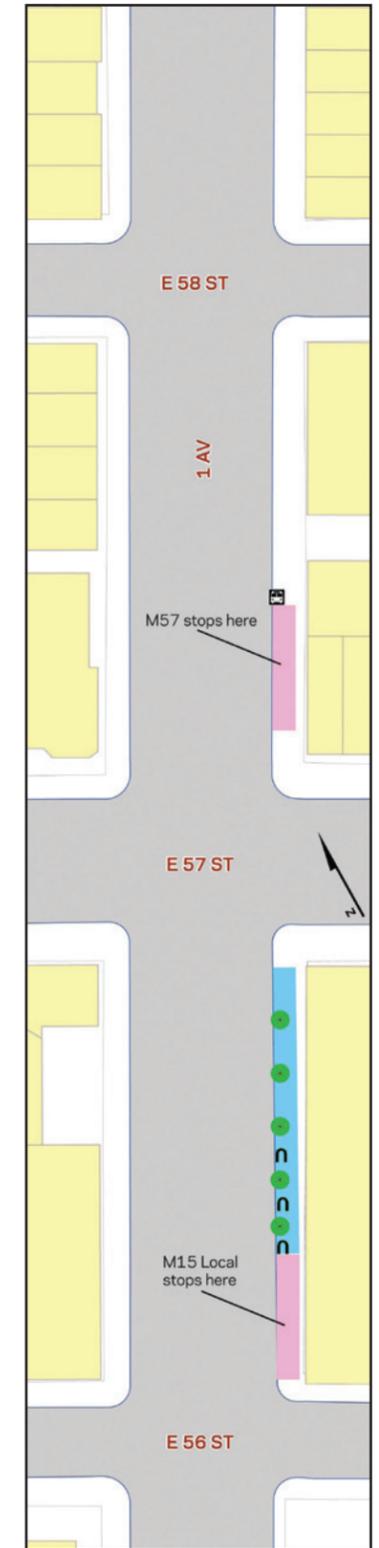

42ND STREET

- SBS between 41st St. and 42nd St. or between 42nd St. and 43rd St.

Construction of UN building will affect the location of this station.

There is no space for a local bus stop.

Exact location of SBS depends on construction of a new UN building.

57TH STREET

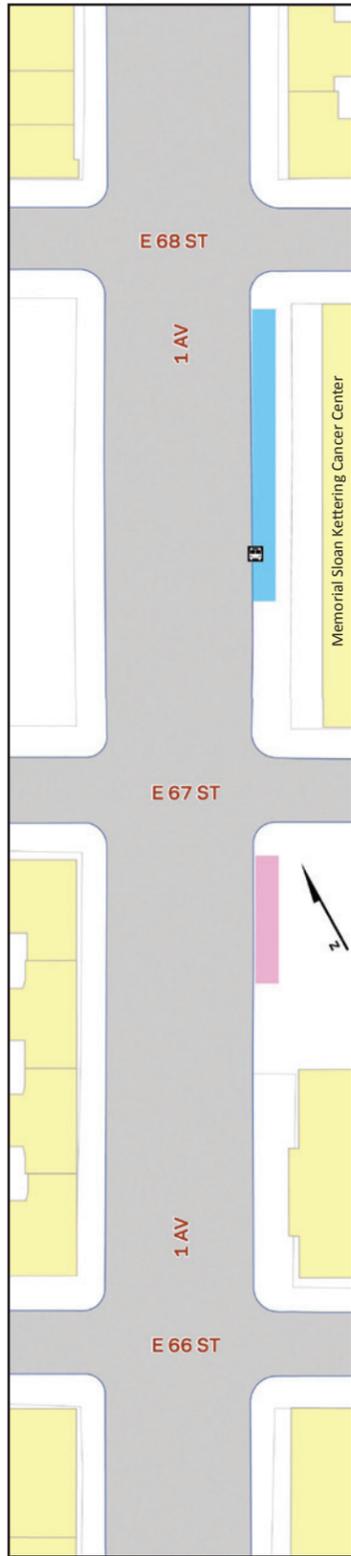

- SBS between 56th St. and 57th St.
- SBS north of local on same block.

SBS and M15 bus riders will have to cross 57th St. to transfer to the M57.

Bike racks and street trees may be an issue.
