Contract No. BRC 253CC

August 14 - August 15, 2010

<i>Contract #8 – BRC253CC</i>	<i>Brooklyn & Manhattan</i>	<i>August 2010</i>
-------------------------------	---------------------------------	--------------------

On Saturday August 14th and Sunday August 15th the NYC Department of Transportation, Division of Bridges, will continue work under Contract No.8 on the Williamsburg Bridge. This work continues the replacement of an overhead beam at the Brooklyn Tower that has been damaged by repeated commercial vehicle impacts. The new beam will be elevated reducing the potential for further damage. This work requires South Outer Roadway lane closures for safe and prompt completion. Two flaggers will be posted at the Manhattan Plaza to ensure Brooklyn bound trucks follow the detour route to Manhattan Bridge.

There will be no impact to cyclists or pedestrians during this phase of work

South Roadway Closures Schedule on Williamsburg Bridge <i>(Weather Permitting)</i>		
<u>Dates</u>	<u>Times</u>	<u>Lane Configurations</u>
Sat 8/14	4:00 AM to 8:00 PM	2 Brooklyn bound lanes closed on south outer roadway
Sun 8/15	4:00 AM to 8:00 PM	2 Brooklyn bound lanes closed on south outer roadway

During this period all Brooklyn bound trucks will be detoured to the Manhattan Bridge

Mitigation Measures

To minimize the impact of this project on motorist and nearby communities, NYCDOT will implement measures that include: additional traffic enforcement agents, 24hr tow truck operation, and advance notification via Variable Message Signs throughout Brooklyn and Manhattan.

For all NYC non-emergency services, including inquiries and complaints, dial 311. Be prepared to give the following information so your call can be directed properly: your name and borough; the project number – BRC 253CC and a return phone number.
