

Reconstruction of the Roosevelt Island Bridge

over the East Channel of the East River

HBM1117

Community Boards: Manhattan No. 8 and Queens No. 1

August 2010

Intermittent 15 Minute Daytime

Full Bridge Closure

Monday, August 23 – Friday, August 27

10:00 a.m. – 2:00 p.m.

The New York City Department of Transportation will continue the testing program for the rehabilitated Roosevelt Island Bridge. The bridge will be completely closed for **fifteen minute periods between 10:00 a.m. and 2:00 p.m.** from August 23 to Aug 27. These limited daytime closures will replace the period of four-hour, overnight, full bridge closures being completed this Saturday August 21st.

The work is weather sensitive and inclement weather may cause the work to be rescheduled or delayed. Should this occur a revised schedule will be provided. NYPD Traffic Enforcement Agents will be posted at Vernon Blvd and 36th Street and variable message boards will inform motorists and pedestrians of the closures. Emergency service first responders NYPD, NYFD will be stationed on the island during the closure. Emergency medical transportation will be available as needed.

FOR MORE INFORMATION

Questions regarding the bridge closure may be addressed to Fred Herschkowitz, Community Liaison at 212-839-6307 or fherschkowitz@dot.nyc.gov. You may visit the NYCDOT website at www.nyc.gov/dot, or call the New York City Government Services and Information Hotline at **311**. Please be prepared to give your name, your borough, and the project number: **HBM1117** to be correctly routed to the project management team.
