### Kiss & Ride Ferry Terminal Entrance Closure

As part of NYCDOT's St. George Ferry Terminal Ramp Rehabilitation project, the Division of Bridges is currently rehabilitating the walkway connecting the terminal to the Division of Ferries Administration building which crosses over the Kiss & Ride entrance.

- Beginning **March 14, 2011**, demolition of the walkway roof will require **the complete closure of the entrance and exit at the Kiss & Ride** between the hours of **9:00 p.m and 5:30 a.m.** This work is anticipated to be complete by March 26, 2010. **See reverse for a map of the terminal.**

- **Passengers** may be picked up or discharged at Bus Station North, which can be accessed via Ramp B (the bus entrance ramp). Vehicles will be allowed to pick up and discharge passengers at this location between the hours of **9:00 pm and 5:30 am ONLY.**
- **Cyclists** will enter the terminal via Bus Station North or the grand staircase near the stadium, and will be screened in the waiting room.
- **Pedestrians** should enter the terminal via Ramp B (the bus entrance ramp) and enter the terminal through Bus Station North.
- **Daily parkers** who use the South Municipal Parking Lot between the hours of 9:00 pm and 5:30 am should select an alternate location. Additional daily parking is available in the North Municipal Parking Lot, the St. George Courthouse Parking Garage and the NYCEDC Parking Lots near the baseball stadium. There will be no access to the parking lot from the lower level of the ferry or the doorway at the bottom of the escalator near the Kiss & Ride.

***There will be no impact to ferry or rail service during this phase of work.***
