

Important Notice
Williamsburg Bridge
Weekend Outer Roadway Closures
Saturdays Only
March & April 2011

BRC253CC-Contract No. 8

Brooklyn CB1 & Manhattan CB3

March 2011

Beginning Saturday March 26, 2011, the North Outer Roadway of the Williamsburg Bridge will be closed for three consecutive Saturdays. These daytime Saturday closures will facilitate the replacement of the roadway expansion joint seals and steel work on the Main Tower. During the North Outer Roadway closures, two traffic lanes will be reversed to accommodate Manhattan-bound traffic. Electronic signs will direct drivers to the appropriate lanes and indicate temporary street level detours. This work is weather dependent and will be scheduled on Sundays as needed.

**During these closures
all trucks will be detoured to the Manhattan Bridge.**

**Saturday Closures: NORTH Outer Roadway
5:00 a.m. to 6:00 p.m.**

March 26 (*Rain Date: March 27*)

April 2 (*Rain Date: April 3*)

April 9 (*Rain Date: April 10*)
