## St. George Ferry Terminal Ramps

HBR1217

Community Board 1

November 2011

### North Ramp Closure

NYCDOT Division of Bridges is rehabilitating the ramps leading into the St. George Ferry Terminal with stimulus funding from the American Recovery and Reinvestment Act of 2009.

Beginning at 9:00 p.m. on **Tuesday, November 29, 2011**, the North Ramp, located at Richmond Terrace and Wall Street providing access to the North Municipal Parking Lot and NYC EDC stadium parking lots will be closed to all traffic. This closure is anticipated to last approximately six months and is necessary to demolish the existing ramp and complete the reconstruction of the new north ramp. The new ramp will include a full-width pedestrian walkway and complete crosswalks on all legs of this intersection.

During the closure, all vehicular traffic will access the parking lots and taxi stand via Jersey Street at Richmond Terrace. All parking lots will remain open during this phase of the project; however construction activities require the closure of a number of daily muni-meter parking spaces. All NYCDOT pre-paid quarterly permittees will be accommodated in the North Municipal Lot.

Existing North Ramp

New North Ramp

Pedestrians will enter the terminal using the former Taxi Stand sidewalk directly across from Borough Hall or the walkway along Richmond Count Bank Ballpark. *See reverse for detour map.*

***There will be no impact to ferry or rail service during this phase of work.***

Melissa Johnson is available to provide information about the project at **347-443-2220** or via email at [ferryrampsliaison@gmail.com](mailto:ferryrampsliaison@gmail.com). For all NYC non-emergency services, including inquiries regarding NYCDOT Construction projects, dial 311. Be prepared to give the following information so your call can be directed properly: your name and borough; the project number – **HBR1217** and a return phone number.
