

Important Notice

Battery Park Underpass

Post-Sandy Restoration – HBM1138E

Manhattan

Community Board No. 1

September 2015

The NYC Department of Transportation Division of Bridges will continue daily early-morning full closures of either the north or the south tube of the Battery Park Underpass to install conduit racks and route conduit. Please see the detour information below. Variable message signs are in place to alert motorists.

FULL CLOSURES: September 8 – 26

South Tube (West Street to FDR Drive)

Tuesday – Friday, 12:01 a.m. – 5:00 a.m. (except September 11)

Saturday, 1:00 a.m. – 8:00 a.m.

Detour from West Street: South on West Street, left onto Battery Place; continue onto State Street, becoming Water Street at the Staten Island Ferry Terminal. Proceed one block north on Water Street, then right onto Broad Street. Northbound FDR via FDR U-turn at Whitehall Street.

North Tube (FDR Drive to West Street)

Friday, September 11, 12:01 a.m. – 5:00 a.m.

Detour from FDR Drive: Exit onto South Street; continue to Whitehall Street; left onto State Street to Battery Place. Turn left onto Battery Place to West Street.

Anne Koenig of the Office of Community Affairs is available to provide information about this project at 212-839-6307 or AKoenig@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.
