Community Requests for Street Improvements

1. Signalized pedestrian crossing at Beach Channel Drive and B 94th St

2. Address concerns about cut-through traffic across Rockaway Fwy at B 92nd St

3. Repairs to sidewalks and medians on B 95th St at bridge exit

Project History

Presentation to Rockaway Civic Association on March 25, 2015

- Concerns about street closure and loss of parking

Jamaica Bay Greenway Plan – released in 2016

- 16 community planning workshops and events
- 26 projects identified throughout Jamaica Bay
- Workshop participants prioritized Cross Bay Bridge to beach connection
Project Overview

1. New traffic signal at Beach Channel Dr and B 94th St

2. Concrete repairs at B 95th St

3. New Greenway Connection
1 Beach Channel Dr and B 94th St, B 92nd St

Existing Conditions
- Un-signalized intersection
- Complex merging
- High volume of pedestrians crossing

Community request:
Pedestrian crossing between commercial destinations, parking, Cross Bay Bridge pedestrian path
Beach Channel Dr and B 94th St, B 92nd St

**Proposed Configuration**
- Install new signalized crossing
- Maintain all vehicle access
- Maintain concrete barriers in intersection
- Loss of 1-2 parking spaces

**Benefits**
- Adds safe pedestrian and bicycle crossing
- Organizes traffic flow
2 Rockaway Freeway and B 95th St

Existing Conditions

- Concrete in need of repair
- Inadequate east-west pedestrian crossings
Proposed Changes
• Increase pedestrian space with new concrete curb extensions
• Create new east-west pedestrian crossing
Bay to Ocean Bicycle Connection

Existing Conditions
• No designated route for cyclists between Cross Bay Bridge and Rockaway Boardwalk
• Bridge access point is unclear

Waterfront destinations attract many cyclists and pedestrians
