

Delancey St N and Pitt St

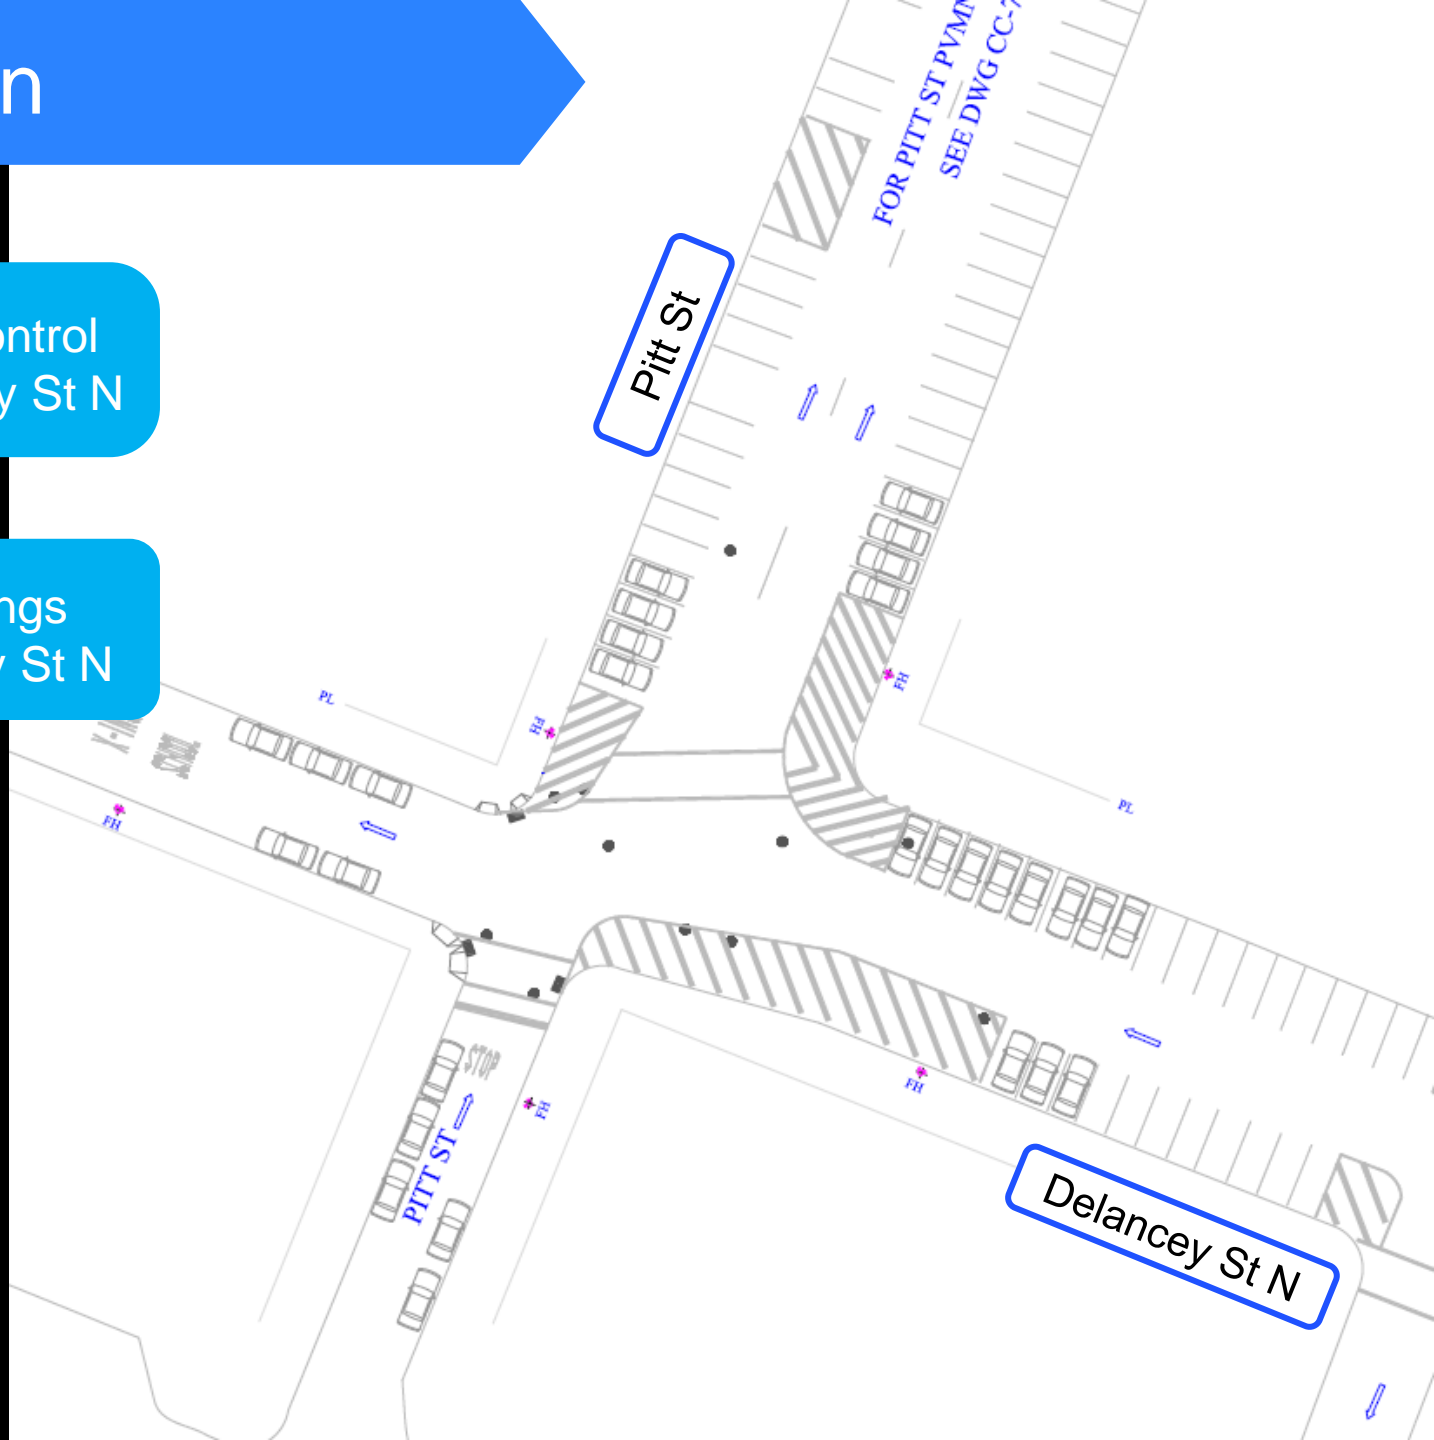

Intersection Safety Improvements

Existing Plan

No stop control
on Delancey St N

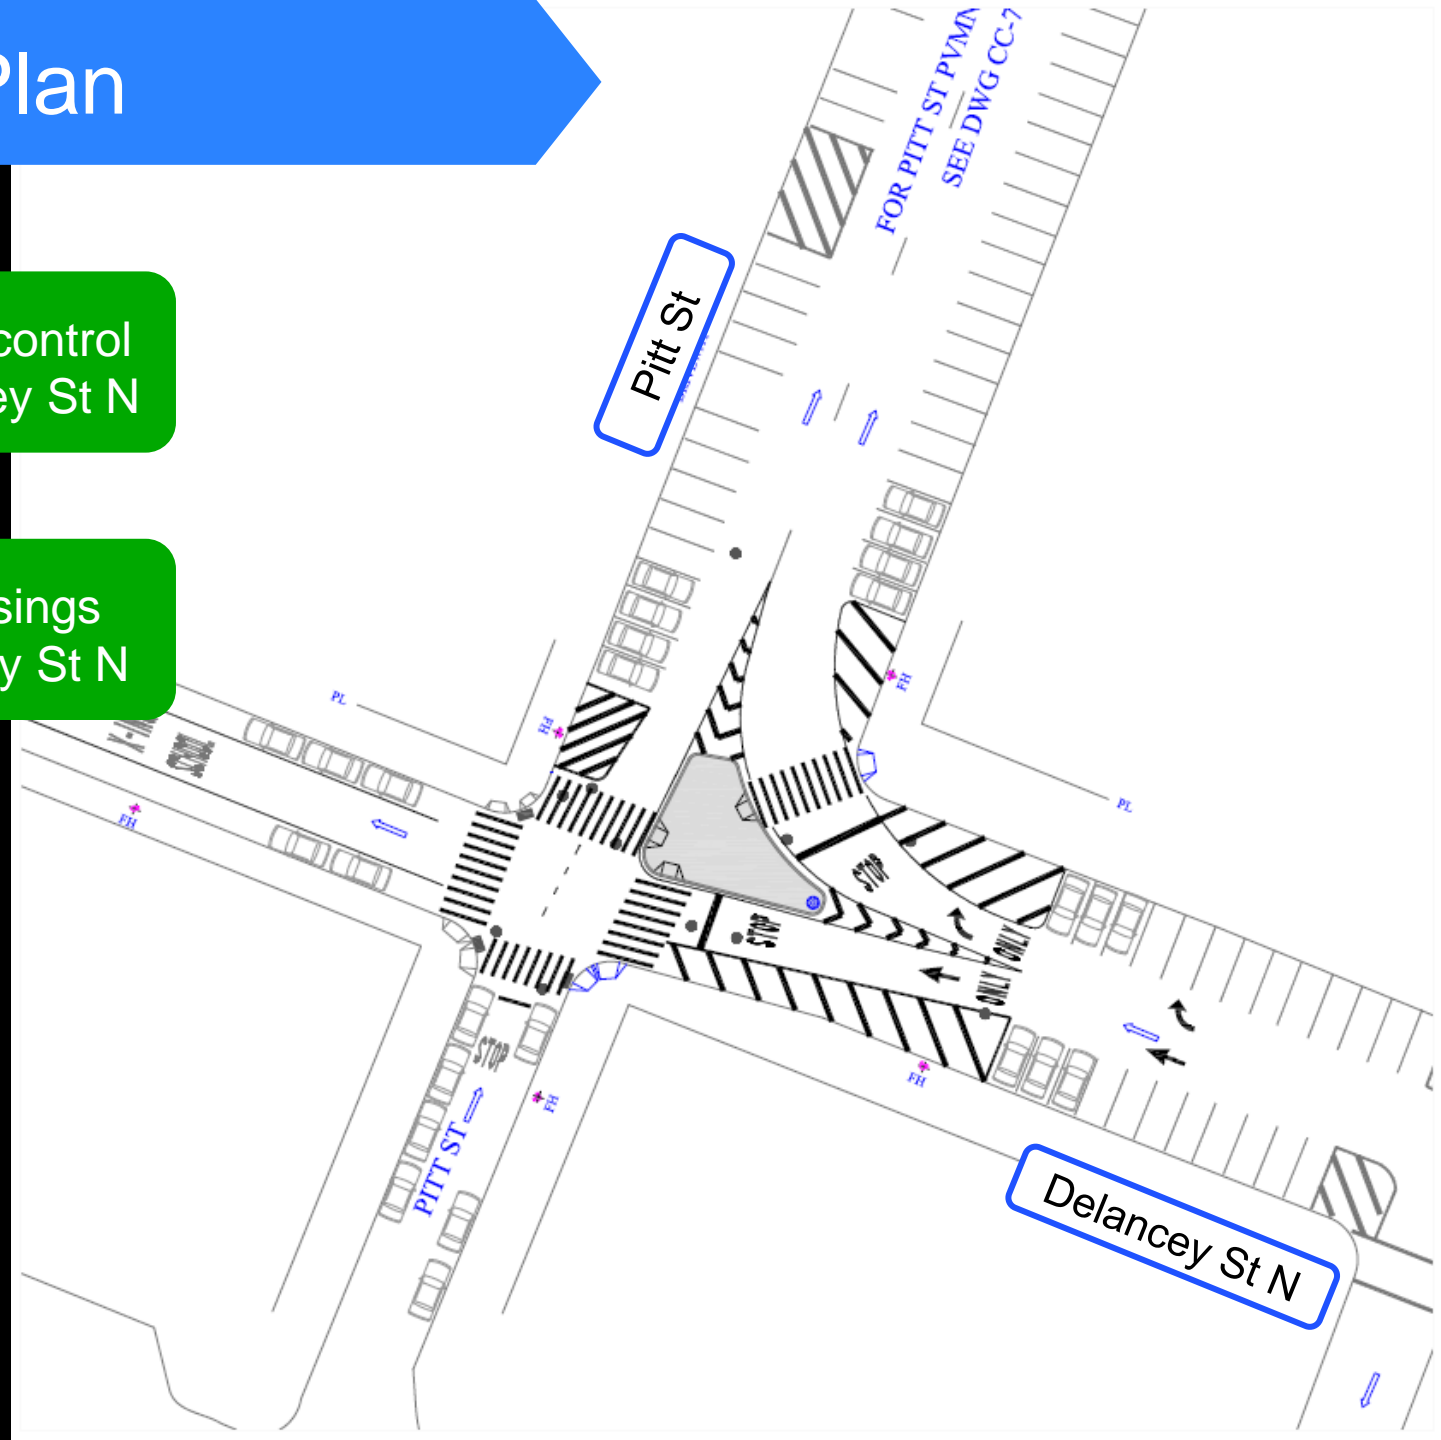

No ped crossings
across Delancey St N

Proposed Plan

New stop control
on Delancey St N

New ped crossings
across Delancey St N

Proposal Outline

1. Install pedestrian splitter island
2. Install new stop control and pedestrian crosswalks across Delancey St N
3. Upgrade all pedestrian crossing markings to High-Visibility markings
4. Requires removal of four angled parking spots
