

Welcome to New York City

2023 Holiday Bus Information

All vehicles must comply with all federal, state and local laws, including New York City Department of Transportation (“NYC DOT”) traffic rules, posted signs and traffic signals. For the holiday season, from November 24, 2023 to January 13, 2024, NYC DOT has added seasonal restrictions to several streets, including “No Left Turns” and no passenger pick-up and drop-off as indicated by posted signs (see map on back).

Buses must use the NYC Truck Route Network, except that an operator may operate on a street not designated as a truck route or bus route for the purpose of arriving at his/her destination by the most direct route. If the operator has additional destinations in the same general area, the operator may proceed to the next destination without returning to a designated truck route or bus route. Buses may not park or lay over, except where posted (see map on reverse).

**Don’t block the box. Right turns prohibited from 5 Ave between 57 & 47 Sts.
Stop at the stop bar as the light is turning yellow.**

Turn your engine off! Idling is prohibited for more than 3 minutes or for more than 1 minute next to a school. At layover and terminal locations, idling is prohibited when the temperature is above 40°F.

During this busy time of year, New York has more pedestrians than ever visiting the Central Business District. Dusk hours are particularly dangerous for visibility and the bulk of our serious crashes happen just after the sun has gone down. Please expect pedestrians in the crosswalk at all times. Pause before turning and make all turns at 5 MPH or less. Crashes are preventable.

Subject to change. For the latest version visit the NYC DOT website: nyc.gov/dot

Holiday Motorcoach Operator's Guide

Midtown Manhattan Traffic Regulations ■ Nov. 24, 2023 - Jan. 13, 2024
