What’s Happening Here?

Restored Parking

Loading-Unloading Zones

KENT AVENUE Improvement Plan

A safer street for everyone

A better bike lane
The Plan

One way northbound vehicular lane from Clymer to N. 14th Street—Simplifies traffic for a safer street, especially around curves.

Floating Parking Lane on the west side.

Loading Zones along east curb—potential restoration of approximately 200+ loading/parking spaces.

Two-way protected bike path along west curb; providing safer bike connections between Greenpoint, Williamsburg and the Bridge.
