All interested members of the public are encouraged to attend.

**THURSDAY, JUNE 25, 2009**

5:30 p.m. to 8:00 p.m.

Presentations at 6:15 p.m. and 7:00 p.m.

### **POLYTECHNIC UNIVERSITY**

5 Metrotech Center - Dibner Library - Room LC400

(entrance at Metro Tech Center between Jay and Flatbush Avenue Extension)

**Brooklyn, New York**

NYCDOT is working with MTA-New York City Transit and Downtown Brooklyn Partnership to improve surface transit within Downtown Brooklyn.

This study will focus on making bus routes more effective and on improving local transportation for Downtown Brooklyn residents, employees, and visitors.

In this first Open House we will present the initial results of our investigation into existing conditions and ask attendees to provide input about their travel patterns, needs, and issues in Downtown Brooklyn.

We want **YOU** to play an active and involved role in this study!
