

Brooklyn Neighborhood Loading Zones In Williamsburg along Manhattan Ave Curb Space for short-term loading activities

As part of our continuing efforts to reduce double parking and improve safety and mobility in Williamsburg, the New York City Department of Transportation has created Neighborhood Loading Zones along the Manhattan Avenue Corridor.

Why We're Doing This

Provide curb space during daytime and evening hours to allow for activities such as:

- Package deliveries by commercial vehicles
- Taxi and car service pick-up and drop-off
- Active loading and unloading of personal vehicles

This program seeks to:

- Use No Parking regulation to reallocate curb space from 7 AM to 7 PM Monday to Friday
- Reduce the number of double parking incidents as well as other unwanted standing behaviors, creating a safer and more efficient environment for all road users

Please send feedback to NLZ@dot.nyc.gov
