

Manhattan Neighborhood Loading Zones Expansion

In Upper West Side along W 90th Street
Curb space for short-term loading activities

What We're Doing

As part of our continuing efforts to reduce double parking and improve safety and mobility on the Upper West Side, the New York City Department of Transportation has created Neighborhood Loading Zones along W 90th Street.

Why We're Doing This

Provide curb space during daytime and evening hours to allow for activities such as:

- Package deliveries by commercial vehicles
- Taxi and car service pick-up and drop-off
- Active loading and unloading of personal vehicles

This program seeks to:

- Use No Parking regulation to reallocate curb space from 8 AM to 6 PM Monday to Friday
- Reduce the number of double parking incident as well as other unwanted standing behaviors, creating a safer and more efficient environment for all road users

Please send feedback to NLZ@dot.nyc.gov

Neighborhood Loading Zones will reallocate curb space for expeditious pick-up and drop-off of passengers and goods
