

## Contract for Street Safety

I promise to **LOOK** out for my fellow human being on the street. No matter how much of a hurry I am in it is never worth endangering the safety of other people to get there on time.

New York City streets and sidewalks are crowded places, and I **RESPECT** the rights of all people to use our streets safely. I also respect myself and promise never to drive, bicycle or walk under the influence of drugs or alcohol.

I will **PROTECT** my friends and loved ones by encouraging them to walk, bike and drive safely, follow the speed limit and other traffic laws and to always look out for other street users. I will also do my best to make sure they never drive, bicycle or walk while under the influence.

Together we can keep our streets safe. By signing this card I pledge to do my part to look out for, respect and protect my fellow New Yorkers and to pass on this message to others.
